National Student Index Number

This is simply the new term for the New Zealand Qualifications Authority identification system. Every time you gain a unit standard these results are posted against your identification number. This ensures a full record of learning is kept for you. Not everyone will have one and it will not affect your application if you do not have one.

Letter of Intent

A letter of intent is a letter from an employer undertaking to give you work or an apprenticeship after you have successfully completed the programme.

Personal Statement

Is a one paragraph statement from you about your career ambitions and current interests. This helps the Trades Innovation Institute staff gain a better understanding of what you are looking for in terms of a trade career and helps them to advise you on the best programme or course to enrol in.

Next Step

Before you post this form please check:

- 1 All the boxes are filled as best they can.
- 2 You have attached photocopies of all relevant school results and qualifications. (Do NOT send originals.)
- 3 Included a letter of intent from your employer (if you have one).
- 4 Included your personal statement.
