Calendar
2009

Visions on Campus Restaurant offers Christchurch diners a unique and memorable dining experience, while participating in the training of our future chefs, hotel managers and restaurant staff. Our restaurant offers both casual and formal dining with a host of interesting menus to tempt your palate.

Students in our Cookery and Hospitality programmes are required to work in the restaurant as part of their training assessment. All service is closely supervised by professional staff.

Our opening times are scheduled to suit the teaching and assessment requirements – we are not open every day. We hope you enjoy dining at Visions on Campus Restaurant.

Assessment Dates

From time to time your staff will be assessed. For these dates we prefer tables of 4-6 diners with larger groups being seated at adjacent tables. At the time of booking, this will be explained. We hope that you will support our students, and still enjoy the experience.

Fully Licensed

Meet your guests at our fully licensed lounge bar for a pre-dinner drink, and enhance your meal with a selection from our extensive wine list. We are not a BYO Restaurant as wine selling is included in the training and assessment of our students.
